

**SQUARESOFT®**

The **SQUARE SOFT** name has long been synonymous with vast breadth and depth of gameplay, memorable characters, high production values and technical innovation. Having moved to the forefront of the electronic entertainment industry's attention with the release of the top-selling **FINAL FANTASY® VII**, SQUARE SOFT has continually expanded gaming boundaries.

This year's lineup of titles features new levels of variety and quality, including classic adventure with **FINAL FANTASY ANTHOLOGY™**, high-speed action in **Chocobo Racing™**, multiple-scenario gameplay in **SaGa Frontier™ II**, and new advances in traditional role-playing in the stunning and highly-anticipated **FINAL FANTASY® VIII**.

Titles herein are upcoming games to be released on the PlayStation® game console.

# FINAL FANTASY VIII

## SEQUEL TO THE BIGGEST RPG EVER.

The eighth installment in this classic series is also one of the most wanted games of the year, **FINAL FANTASY® VIII** promises to surpass its best-selling predecessor in every way. Graphics are more detailed and realistic, with breathtaking gameplay visuals and fluid, motion captured cinemas never before seen in an RPG nor any other type of game. Battle sequences have been enhanced with new techniques such as drawing magic from enemies.

FINAL FANTASY VIII coming soon to the PC.

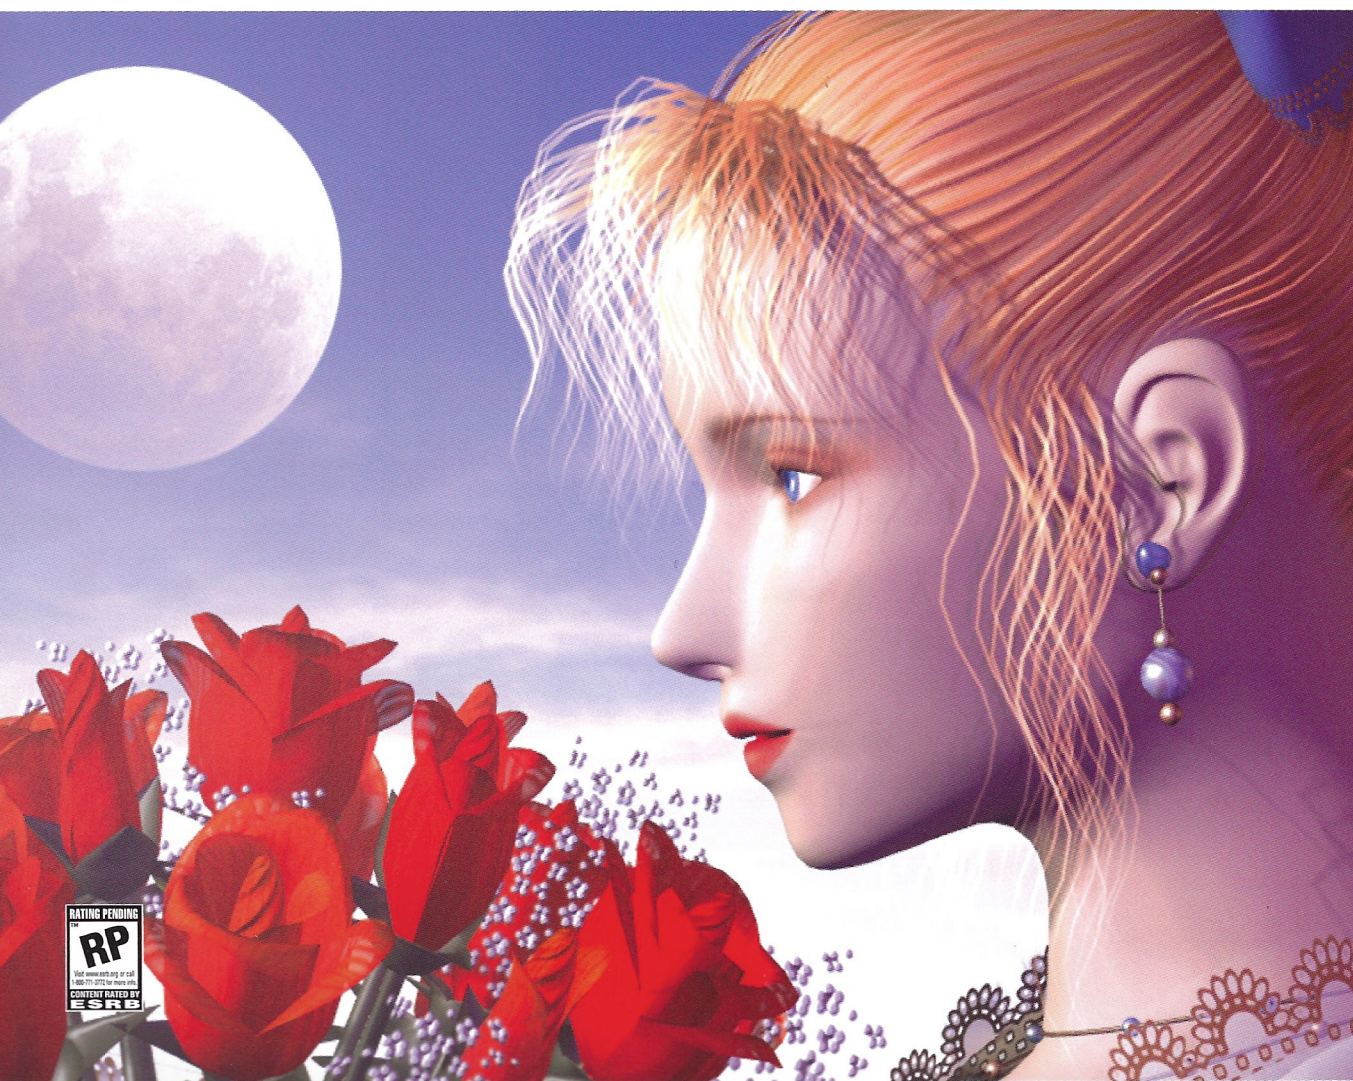

## FINAL FANTASY ANTHOLOGY™

### TWO RPG CLASSICS IN ONE PACKAGE.

Glimpse into the past of the incredibly popular FINAL FANTASY® series with two top-selling games never before seen on the PlayStation game console. Contains FINAL FANTASY V (which has never been released in the U.S.) and FINAL FANTASY VI. Epic storylines, dozens of hours of gameplay, memorable characters, and intuitive controls plus entirely new CG cinemas unique to this collection. A must-have for any role-playing fan.

# Chocobo's Dungeon 2

## THE FINAL FANTASY STAR'S OWN ADVENTURE.

Treasure hunters Chocobo and Mog uncover more than they bargained for when they come across a series of mysterious dungeons. Descend into caverns which randomly change each time they are entered. Journey along with FINAL FANTASY characters, or team up for simultaneous two-player action. Simplified controls allow gamers of any experience level to use a variety of items, magic and customizable weapons and armor to survive.

### FINAL FANTASY CHARACTERS ON THE MOVE.

Gear up with popular FINAL FANTASY characters and race in a variety of play modes: Grand Prix, Time Attack, Vs. Mode, Relay Race, or Story Mode. Edit parameters of your racer each time you complete the Story Mode. Each racer has their own unique ability, transportation, control and feel. Discover powerful magic weapons, unique theme tracks, special moves and hidden characters on your way to the checkered flag.
